Submitting Abstracts

Using the template available, the abstracts must be submitted to ilsisea@ilsisea.org.sg no later than September 15, 2017.

- All abstracts must be written in English.
- Abstracts must be approved by all authors before submission.
- Category: The categories are used by the Organizing Committee to arrange the sessions. Check the box that best describes the category for which the abstract is most suited.

Abstracts **MUST** be in the following format within 300 words:

- **Introduction:** State the reason for pursuing this work.
- **Purpose:** State the purpose or objectives of the study.

- **Methods:** Describe the methods that were used.
- **Results:** Describe the results obtained in the study (2-3 sentences). NOTE: Specific results, with statistical analysis (if appropriate), **MUST** be provided. A statement of “results pending” or “to be discussed” is not acceptable and will be grounds for abstract rejection. Results should be summarized; do NOT use tables or figures.
- **Significance:** State the significance of the findings to public health (1-2 sentences)
- A short acknowledgment of support can be listed, if applicable.

Poster Presentation Award

Accepted poster presentations will be automatically entered for consideration for the best poster presentation award. Winner of the awards will be announced before the closing of the final day of the symposium. The prize of the award will be informed prior to the symposium before the abstract submission deadline.
